The King Pong Experience

This is a manual on how to start and operate award winning event, King Pong. As the operator you will be responsible for managing the flow of gameplay.

Setup:
Open the King Pong application. The game should automatically load up and the ball should be in the center of the playfield.

Starting the game:
Press "A" to serve the ball to a random player. You cannot choose who to serve it to.

Pausing the game:
If the players need you to pause of any reason. Press "A" to un/pause the game.

End Game:
The game is over when the timer hits 0 seconds. When this happens, the ball stops moving.

Resetting the game:
If the game is over. Press "A" to reset the game.

Troubleshooting

Manual restart:

If there is a problem and you need to restart the game press the "Menu" button.

Missing Ball?

If the ball goes missing, and you need to re-serve the ball, press the "Back" button.
